	Home-Page Basic HTML	Internal Pages Basic HTML	Listings	w/DHTML or Flash
Website Design Fees*	\$125.00	\$95.00/pg	\$125.00/ea	\$125.00/hr
Content & Text	Content & Text is supplied by the client in .doc or .txt format. Excessively long web pages may be subject to additional design fees, especially if they require a great deal of formatting. Please note: our services do not include editing your text. Please supply it to us in the final form you want displayed on the Web.			
Design Layout	Includes a custom-designed masthead incorporating your company logo, background, colors, graphics (supplied by you), text or graphic navigation			
	Additional Custom graphics billed at our hourly rate (\$75/hr).			
Navigation	Basic Navigation Menus are included in the Home Page amount. DHTML/Java menu's are available at additional cost of \$125/HR.			
MLS/IDX Integration	Same as Internal page (MLS fees may apply)			
Graphics/Images	Our prices include photos, images or graphics, client-supplied or client-selected. Client pays an additional fee to cover fees for images, photos or graphics selected from "fee for images" web sites.			
Response Forms	Forms Form(s): an additional \$150/PG			
Advertising to major search engines and directories	All websites are optimized for Search Engine Placement (incl. robots.txt). Submission to the major search engines and directories costs \$250.00/URL		Advertised to approximately 25 to 30 search engines and directories costs \$500.00/URL	
Website Hosting & Webmaster Services				
Hosting & Domain Registration	We will search domain names and register domain names, secure hosting space and manage your website for a nominal fee. Domain registration is approx \$35 per domain name. Expect to pay between \$35 and \$75 monthly for hosting, depending upon your site's particular requirements. Server Set-up fees are typically \$65 to \$95. Other fees may also apply.			
Website Maintenance	Updates to existing web pages or listings are \$75 per page (depending on complexity). Adding New Listings are as referenced above. New pages are \$95.00 basic html & conformed to current layout.			
Site Management	We will gladly manage your site on our server or another, on an "as needed" basis or as part of a management agreement. Terms, conditions & fees to be negotiated.			

* Fees subject to change.
